Project Updates

South End Avenue

- **Community forum with City Department of Transportation and BPCA at May 1, 2018 BPC Committee Meeting**
- **Community walkthrough with CB1, DOT, and community members on Tuesday, May 15**
- **BPCA to present updated proposals, reflective of community input – including that related to parking, loading / unloading, and bus stops – at July BPC Committee meeting**
- **Any additional improvements / modifications pursued – if any – will preserve, or increase, the available public space within the corridor; “no-action” scenario for corridor also remains viable option**

Resiliency Projects

1 & 2: Northern End and Ball Fields

3: Southern End

4: Western Perimeter

200 Rector Community Space

- **Renovations are nearing completion on new community space, office space & BPC Ambassador Command Center, replacing former space at The Regatta**
- **Targeting end of June for substantial completion, with community use to begin in July with BPC Seniors exercise class**

Wayfinding

- BPCA worked with BPC Committee leadership to develop short online survey for its ongoing Wayfinding Signage Program; responses – more than 180 – helping inform future signage content and placement
- Design process through fall 2018, installation to begin late 2018 / early 2019
- BPCA to update community on design process at July BPC Committee meeting

Upcoming Capital Projects

- **New bond offering planned by calendar end 2018**
- **Raising up to \$80mm in new financing for resiliency planning and other capital projects in 2018/2019**
- **Funding plan includes both long-term fixed and short- to medium-term floating rate debt**
- **Funds remaining from existing bonds are being used to complete approved projects**
- **Funds remaining from completed projects will be reallocated for planned general infrastructure projects**

User Study

- **Goal:** Gather a reliable estimate of the volume of use (actual number of visitors) of the Parks and gain insight into what users think about the Park, which includes demographic information about visitors, as well as the ways visitors use the parks.
- **Study elements:**
 - Approximately 550 completed surveys (20 questions, 5 minutes)
 - 34 reports from focus groups (2 hours)
 - 2,800 quick observations that recorded non-participants (people who declined).
- **Co-written by 2 BMCC professors and the Director of Community Partnerships and Engagement. BMCC sociology students conducted the counts and surveys.**
- **Among the focus groups' 34 participants, 29 live in Battery Park City for an average of 17 years.**
- **The final report will be 40-50 pages with supplemental data and appendices. It will be complete in late June.**
